

Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

1. (currently amended): A dispenser for dispensing lubricants and the like from and mounting on a bulk container, said dispenser comprising:
 - a motor;
 - a pump driven by said motor;
 - a flow meter incorporated into and part of said pump;
 - a suction tube depending into said bulk container from said pump;
 - a dispense valve; and
 - a dispense hose connecting said pump and said dispense valve.
2. (original): The dispenser of claim 1 further comprising a display on said dispense valve for the amount of fluid dispensed, said display being in communication with said flow meter.
3. (original): The dispenser of claim 1 further comprising a hose storage device.
4. (original): The dispenser of claim 3 wherein said hose storage device is a hose reel.
5. (original): The dispenser of claim 1 wherein said dispense valve comprises a valve requiring a predetermined fluid pressure to open.

Appl.No. 10/528,524

Amdt.dated June 25, 2007

Reply to Office action of April 2, 2007

6. (original): The dispenser of claim 1 wherein said dispense valve communicates with said flow meter through said dispense hose.

7. (original): The dispenser of claim 1 wherein said dispense valve communicates with said flow meter through a wireless link.

8. (original): The dispenser of claim 1 wherein said pump is a gerotor.
